This is a stations test with a total of 15 stations. You will be given 3 minutes per station to answer each of 6 questions. You may not go back to previous stations or move ahead if you finish early.

However, you may change previous answers. Time will be given to move between each station.

There is a total of 90 questions each being worth 1 point for a total of 90 points. No partial credit will be given. There is no penalty for guessing or leaving a question blank. Ties will be broken with tie breaker questions 45, 29, 15, and 57 in that order. You MAY NOT write on the stations, the only form which CAN be written on is the ANSWER SHEET. Points will be deducted for writing on the stations themselves. Good luck!
