

Write-it Do-it Score Sheet

General Guidelines: All directions and locations are stated below using image 5 as a reference and measured using the bottom clothespin. If there are more than one item of the same object (ex. there are 3 clothespins), make sure to account for them since only one row exists for you to record points for that type of object.

Team: _____

Object	Obviously Attempted (piece is used in some way) (0/1)	Location (0/2) (Is it on/touching the correct piece - 1 pt. Is it on/touching the correct side of that piece - 1pt)	Position (0/1) (within/relative to the bottom clothespin)	Orientation (0/1) (Is it facing the correct direction)	Total Points Earned
