### INSTRUCTIONS

- Clearly write your name(s) and school on the top of this sheet. Do not write in the four boxes in the center of the page marked "For Event Supervisor Only."
- Mark ALL of your exam responses within this Answer Sheet. No responses marked within the Exam Booklet will be scored.
- Make sure all answers are legible. An illegible response will be scored as an incorrect response. For Section 1, use capital letters (*A* not *a*) to mark your responses.
- For Sections 2, 3 and 4, points will **not** be deducted for minor spelling errors. If the spelling of a word is so far off as to impair the judge's understanding of what is written, the response will be counted as incorrect. In other words, if the intended response is clear (and correct), points will be awarded.
- Feel free to split the Answer Sheet and Exam Booklet if necessary, but be sure all pages are stapled together before the exam is turned in.
- If you need any additional space to answer any questions, use the additional pages at the end of the Answer Sheet. If continuing a response on the additional pages, be sure to number the response to correspond with the question!
- Have fun, enjoy the exam, and shock on!
