

DESIGNER GENES * SOUTHERN POLY REGIONAL 2006

Response Sheet

This test consists of 60 questions. Use capital letters for True or False and Multiple Choice responses (T, F or A-D). For probability questions, use only fractions reduced to their lowest form. Decimal responses will be marked incorrect. All responses must be written on this answer sheet.

Each response is worth one point. You have 45 minutes to complete exam. You may leave when you have finished. Happy Mendeling!
